### NEW PODS SCHEME LAUNCHED AT THE DEEP BUSINESS CENTRE

**The Deep Business Centre has launched a new scheme aimed at helping small businesses to operate more efficiently.**

The PODS scheme offers high quality desk spaces for businesses with flexible terms, ideal for businesses that have been trying to operate from home but are now finding this impossible.

There are a number of desk spaces currently available which include a whole host of additional benefits including free on-site parking, 24 hour secure access, on-site management, staffed reception and kitchen facilities.

All businesses will also have access to the on-site meeting and conference rooms, on-site business support services, telephone answering services, a dedicated telephone number and diversion services, instant broadband connection and business postal address.

The Deep Business Centre was opened in 2002 and provides a wide range of offices for small to medium sizes businesses. It is located adjacent to the award-winning visitor attraction, The Deep, overlooking the River Humber.

Freya Cross, Business Centre Manager said: "We have seen an increased demand in business looking for flexible working arrangements so have developed the new PODS product to meet these needs. It is perfect for small businesses that are currently working from home, but feel that they need more space with the added benefit of a business address.

"It is important that in the current economic climate that our products and services meet the needs of local businesses and this is just one way in which we are working to ensure this.
