Teachers' Open Day

The Deep is holding a free open day for teachers and their families on Saturday 2nd October. Starting at 11am, the event will be a valuable experience for any teacher thinking of bringing pupils to The Deep. Primary and secondary school teachers will be able to sample the aquarium's learning activities, all of which are linked to the National Curriculum.

The Deep's resident teachers will be on hand to give information about workshops and booking arrangements, as well as answering any questions. Head of Education at The Deep, Susan Hornby said "This is an excellent opportunity for teachers to come and sample what's on offer before booking their class outings to The Deep."

After the open day teachers and their families will be free to join enjoy the exhibition, taking in the short 3D film at 1:30pm or 3:30pm and watch the dive presentation at 2:00pm.
