

Welcome to your Bus Guide for... Marfleet and Bilton Grange services

Service 46 provides regular buses between Marfleet, Southcoates Lane, Ellis Street, Victoria Dock and Hull Marina to the City Centre.

Service 49 provides regular buses between Bilton Grange, Southcoates Lane, Ellis Street and Victoria Dock to the City Centre.

Services 46d and 49d will run direct into the City Centre from Victoria Dock via Great Union Street and Drypool Bridge.

What's changed...services 46 and 49 have been improved to become more reliable. Peak time journeys inward will run via Drypool Bridge getting you into the City Centre quicker, Myton Bridge at this time was causing the service to fall behind time.

These services are provided with financial support of Hull City Council and are operated by low floor, easy access buses with regular friendly drivers.

Other buses in your area...Service 10 is the City Circular service operating along Staveley Road / Hopewell Road. Preston Road has the regular 40 and 43 services, service 40 also provides regular buses along Newbridge Road, all day and evenings too!!
